A collection of vintage items including a camera, a lens, a magnifying glass, a notebook with a birth chart, a pencil, and a map. The items are arranged on a dark, textured surface, possibly a map or a piece of aged paper. The camera is a vintage model with a lens cap removed. The lens is placed next to it. The magnifying glass is positioned to the left of the notebook. The notebook is open, showing a birth chart on the left page and a pencil on the right page. The pencil is lying horizontally across the notebook. The map in the background shows various geographical features and text, including "HINDIA" and "INDIA".

A black graduation cap with a red and black tassel is positioned diagonally across the frame. The cap is resting on a white graduation gown, which is partially visible. The background is dark, making the white gown and the black cap stand out. The text "Get Your PhD in" is written in a white, serif font, and the word "You" is written in a white, cursive font, both overlaid on the image.
