1 ~ ISSUE ... **Current Issue, Goal or Focus**

~ 7 of Rainbows ~ PATIENCE ~

There are times when the only thing to do is to wait. The seed has been planted, the child is growing in the womb, the oyster is coating the grain of sand and making it into a pearl. This card reminds us that now is a time when all that is required is to be simply alert, patient, waiting. The woman pictured here is in just such an attitude. Contented, with no trace of anxiety, she is simply waiting. Through all the phases of the moon passing overhead she remains patient, so in tune with the rhythms of the moon that she has almost become one with it. She knows it is a time to be passive, letting nature take its course. But she is neither sleepy nor indifferent; she knows it is time to be ready for something momentous. It is a time full of mystery, like the hours just before the dawn. It is a time when the only thing to do is to wait.

2 ~ ACTION ... **Suggestions & Possibilities**

~ VII ~ AWARENESS ~

The veil of illusion, or maya, that has been keeping you from perceiving reality as it is, is starting to burn away. The fire is not the heated fire of passion, but the cool flame of awareness. As it burns the veil, the face of a very delicate and childlike buddha becomes visible. The awareness that is growing in you now is not the result of any conscious "doing", nor do you need to struggle to make something happen. Any sense you might have had that you've been groping in the dark is dissolving now, or will be dissolving soon. Let yourself settle, and remember that deep inside you are just a witness, eternally silent, aware and unchanged. A channel is now opening from the circumference of activity to that center of witnessing. It will help you to become detached, and a new awareness will lift the veil from your eyes.

3 ~ OUTCOME ... **Likely Outcome Based on Your Awareness & Actions**

~ Queen of Rainbows ~ FLOWERING ~

The branches of these two flowering trees are intertwined, and their fallen petals blend together on the ground in their beautiful colors. It is as if heaven and earth are bridged by love. But they stand individually, each rooted in the soil in their own connection with the earth. In this way they represent the essence of true friends, mature, easy with each other, natural. There is no urgency about their connection, no neediness, no desire to change the other into something else. This card indicates a readiness to enter this quality of friendliness. In the passage, you may notice that you are no longer interested in all kinds of dramas and romances that other people are engaged in. It is not a loss. It is the birth of a higher, more loving quality born of the fullness of experience. It is the birth of a love that is truly unconditional, without expectations or demands.
